

Sensors and Systems for all Applications

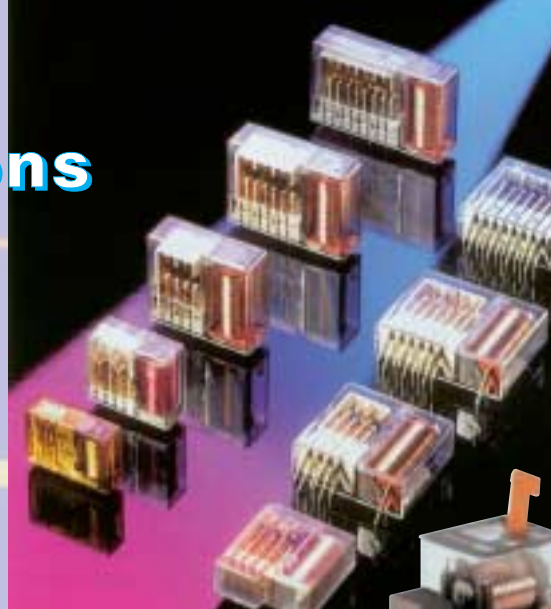

Vibration limit detection

Electromagnetic Flowmeters

Engineering, Distribution and Manufacturing of components and systems for the automation-, process-, measuring and controlling and machinebuilding industries from market leading German, and European manufacturers.

Safety relays

Miniature Relay
10 mA-10 A

Safety Light-curtain

Wide range of products:

- ◆ Sensors, PLC's
- ◆ Encoder and Counter
- ◆ Flow Measurement
- ◆ Level Measurement
- ◆ Switches
- ◆ Circuit Breaker
- ◆ Motors and Drives
- ◆ Relays
- ◆ Pneumatics, Valves
- ◆ Pressure Measurement
- ◆ Processcontroller
- ◆ Connectors
- ◆ UPS - Systems
- ◆ Frequency Inverter

Opto-electric sensors, Proximity switches

- ◆ Worldwide engineering service for system integration
- ◆ System and Application engineering
- ◆ Wide range of products and services for automation and process control
- ◆ Meyle range of automation- and sensor components and systems
- ◆ Authorized distributor for market leading manufacturers
- ◆ Factory trained application engineers
- ◆ Spare and maintenance parts management, Class-C product management
- ◆ More than 8000 customers and 800 supplier next to main product lines
- ◆ 40 years market experience
